Dear Hilary, dear members of the twinning association,

on behalf of our twinning association we would like to offer our most sincere condolences regarding Keith's and Andrea's deaths. We were all terribly shocked when we received this sad news. We knew Keith and Andrea as a lovely couple full of life, very open-minded about the twinning. They were good friends of Nidda.

We will always honor and remember them. A last farewell from Nidda.

Yours in twinning
